

Wine list – Weinkarte

The following wine list represents a selection of fine wines from Greece. My primary goal is to assemble a unique offering of wines, which have been deemed an outstanding expression of varietal and region and I hope you enjoy them as much as I have.

Among the well-known Assyrtiko white from Santorini, you may find more Assyrtiko expressions from the mainland and of course other white varieties, like, Savatiano, Vidiano, Roditis, Malagousia, Thrapsathiri, Moschofilero etc. Apart from the great red wines from Agiorgitiko (Nemea) or Xinomavro (Naoussa) varieties, try a Limniona from central Greece, a rare Negoska, the unique Mavrodafne or Arikaras from my home island Kythera!

Die folgende Weinkarte repräsentiert eine Auswahl erlesener Weine aus Griechenland. Mein Hauptziel ist es, ein einzigartiges Angebot an Weinen zusammenzustellen, die als herausragender Ausdruck von Rebsorte und Region gelten, und ich hoffe, Sie genießen sie genauso wie ich.

Neben dem bekannten Assyrtiko-Weißwein von Santorini finden Sie mehr Assyrtiko-Stile vom Festland und natürlich andere weiße Sorten wie Savatiano, Vidiano, Roditis, Malagousia, Thrapsathir, Moschofilero usw. Neben den großartigen Rotweinen der Sorten Agiorgitiko (Nemea) oder Xinomavro (Naoussa), probieren Sie einen Limniona aus Zentralgriechenland, einen seltenen Negoska, den einzigartigen Mavrodafne oder Arikaras von meiner Heimatinsel Kithira!
